

Managed Individual Pathway

Policy:

This policy is written to ensure Berendale student's individual pathways are managed appropriately. This is complete through the use of an appropriate form.

Procedure:

This confidential Managed Individual Pathways (MIP'S) form asks for personal information about the student, family members and others that provide care for them. The main purpose for collecting this information is so that Berendale can register the student and allocate staff and resources to provide for their educational and support needs.

Health information is asked for so that staff at Berendale can properly care for the student. This includes information about any medical condition or disability the student may have, medication they may rely on while at school, any known allergies and contact details of the student's doctor. Berendale depends on all relevant health information being provided because withholding some health information may put the student's health at risk.

Berendale requires information about all parents, guardians or carers so that we can take account of family arrangements. Family Court Orders setting out any access restrictions and parenting plans should be made available to -Berendale. Please tell us as soon as possible about any changes to these arrangements. Please do not hesitate to contact the Principal, Paula Barnett, if you would like to discuss, in strict confidence, any matters relating to family arrangements.

Berendale in conjunction with the Department of Human Services Futures for Young Adults Program plan the transition of students to appropriate Post School destinations. Information in the Managed Individual Pathway Forms is released to the Department of Human Services and to the appropriate Post School option.
