2018, Issue 5

29th March 2018

From the Principal...

Dear Parents/ Carers,

I would like to wish everyone a safe and relaxing holiday break over the next few weeks. This morning we celebrated students achievements across the school with a whole school assembly, our students were celebrated with Art Awards, class awards and student of the week awards. Our school pride also shone through as we acknowledged our indigenous community with welcome to country and we proudly sang our national anthem.

Excellence in Inclusive Education is at the forefront of our school, this was clearly evident today with our students leading and celebrating their learning alongside our dedicated staff.

We look forward to seeing all students again on Monday 16th April.

Kind regards,
Jennifer Hamilton
Principal

FROM OUR SCHOOL COUNCIL PRESIDENT

We have now had our first school council meeting and it was encouraging to see the enthusiasm of all school council members.

Four Sub Committees have now been established:

- Education
- Finance
- Building construction
- Parents and Friends Group

Feed back will be provided about the work of these committees as the year progresses.

As Jenny has advised, there is now the commencement date for the building construction and during term 2 a whole school review will be undertaken.

Recently a survey was sent out via Compass, I would encourage families to complete this as it

will provide valuable information for the school review.

Finally the whole school is committed to improving communication and engagement to the school community. There has been a number opportunities for families to attend school events this term with more being planned for next term and the year.

We hope students and teachers enjoy their holiday break and come back refreshed for an exciting and engaging term 2.

Wendy Smith
Berendale School Council President.
