## **PERSONNEL UNDERSTAND THEIR ROLES AND RESPONSIBILITIES/CODE OF CONDUCT**

## **HUMAN RESOURCES PRACTICES AND TRAINING**

The school applies best practice standards in the recruitment and screening of staff and will take all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children. We will ensure that staff induction, education and training programs are a vital part of our commitment to safeguarding children and young people from abuse and neglect. All prospective staff and volunteers are required to undergo National Criminal History Records check and maintain a valid Working with Children Check. A register of all staff outlining National Criminal Records checks and Working with Children Check expiration dates is kept up to date on the school intranet and in hard copy in the Administration Office.

## **REPORTING A CHILD SAFETY CONCERN OR COMPLAINT**

Berendale School has clear expectations for staff and volunteers in making a report about a child or young person who may be in need of protection. Immediate action should include reporting their concerns to the DHHS Child Protection or another appropriate agency and notifying the principal or a

member of the school leadership team of their concerns and the reasons for those concerns. The school will take action to respond to a complaint.

The school's policy and procedures for reporting a child safety concern or complaint can be found on the website at [www.berendale.vic.edu.au](http://www.berendale.vic.edu.au) Mandatory Reporting, Student Engagement Guidelines.

## LISTENING TO CHILDREN

The school has developed a safe, inclusive, and supportive environment that involves and communicates with children, young people and their parents/carers. We encourage child and parent/carer involvement and engagement that informs safe school operations and builds the capability of children and parents/carers to understand their rights and their responsibilities.

When the school is gathering information in relation to a complaint about alleged misconduct with, or abuse of, a child the school will listen to the complaint's account of things and take them seriously, check understanding and keep the child (or their parents/carers) informed about progress.
